Do we have sufficient toxic capacity to:

1. Zero the life force energy of all manmade energetic influence pathogens? Yes \_\_\_ No \_\_\_
2. Zero the life force energy of all natural pathogens? Yes \_\_\_ No \_\_\_

*If there is a NO answer; clear the organ system and ask the questions again!*

*If NO again, proceed with the number of permissible systems until completed.*

The effectiveness of this healing segment is made manifest by the acceptance of you to this healing!

A typical response to the healing would be:

I Believe, I Receive, and I Accept this Healing

Thank You, Thank You, Thank You!!!

**Disclaimer:** I, Angie Bergen, am not a medical doctor and do not practice medicine. I don't diagnose, heal, cure or treat disease. I recommend people continue to see their medical doctors and follow their advice. My work is a complement to conventional medicine. This spiritual energy work is not a substitute for conventional medical treatment of any kind, physical or psychological. For such issues you should seek the proper licensed physician or health care professional. This energy work may help the bio-field to come into energetic balance. When one's energy field is in balance, the body's latent healing ability can heal its self.

I make no promises or guarantees about the results of this work.
